CONVENIENCE IS KEY

Happy Tails realizes that convenience is key for our customers' busy schedules. That's why you'll find a complete range of services geared towards your pet's individual needs including Boarding, Daycare, Grooming, Training and even Traveling Tails, our in-home care program.

At Happy Tails, we also realize that sometimes plans can change at any time. This is why Happy Tails is open 24 hours a day, 7 days a week, 365 days a year, giving you the accessibility you want on the schedule you need!

HOME AWAY FROM HOME
BOARDING

Need to go out of town for a vacation or business? Relatives in town? Don't leave your dog in a traditional kennel, trust Happy Tails to be there when you can't! Our open environment allows your dog to come and go between the indoor play area and our expansive outdoor play area any time they choose.

The dogs eat and sleep in their own personal over-sized crate to ensure that every pup is eating and receiving a good night's rest, which is much needed after a full day of play!

Just bring enough of your dog's favorite food for their stay, let us know their feeding schedule, any special instructions and leave the rest to us!

PLAY THE DAY AWAY
DAYCARE

Bring your dog to Happy Tails and use your time to work, run errands, socialize or just take a breather and enjoy having the house to yourself while your furry friends run and play with dogs their own size and temperament.

With both indoor and outdoor play areas, your dog can romp to their heart's content in a safe, clean and fun environment, no matter the weather. Happy Tails' innovative open environment is always supervised and designed perfectly for both high-energy and couch potato canine companions.

Available for full day care, 1/2 day (4 hours or less), and even in money saving packages, there's an option for every budget and lifestyle. Daycare begins the moment you drop off your dog through midnight.

MANNERS MATTER
TRAINING

Does your pooch need some schooling? Drop your dog off daily at Happy Tails to play and our on-staff trainers will work with them several times a day to give them the education they deserve! Our trainers can cover everything from the basics, such as sit, down, sit-stay, down-stay, "chill", to the proper and polite way to greet people and other dogs.

Our trainers will schedule individual one-on-one lessons with you in order to help transition the training into your home and everyday life. Upon graduation of the full 3-week Training Tails Enrichment Program, your pup will be awarded with a diploma and a graduation picture!

Happy Tails Training Enrichment center also offers agility classes, Canine Good Citizen Group Classes, Treadmill Training and Basic Obedience Group Classes.

PAMPERED TAILS
GROOMING

Our Pampered Tails spa offers complete grooming services for the health and well-being of your four-legged family members. From heated massage baths and ear cleaning, to nail trimming and teeth brushing, Pampered Tails offers all the grooming services your pet will ever need under one roof. All grooming services are conveniently available as an addition to a daycare visit, an overnight stay, or a la carte.

TRAVELING TAILS
IN-HOME CARE

Rather have your canine companion stay at home while you're away? Our bonded and insured pet sitters will be happy to come to your home and care for your furry friends, and even stay the night with them! We know a daily routine is important, so we care for your pets all according to your specified schedule.

We provide In & Out Home Visits where Happy Tails' safety-trained staff can come to your home to care for your pet and perform other needed services.

This service is ideal for homes with low maintenance pets. We'll visit your home to feed, water, change litter boxes, walk dogs, feed fish etc. Most of our clients prefer morning and/or evening visits, but we can tailor the schedule to your needs.

GETTING COMFORTABLE
ORIENTATIONS

At Happy Tails, we want to ensure maximum care, comfort, and convenience for each pet (and owner) visiting our facility. We know that the unique atmosphere at Happy Tails may not be suitable for all pets, which is why the orientation process is vital for all first time boarding or daycare visitors.

In order to be eligible for an orientation we require your dog to be spayed or neutered if they are over 6 months of age and be current on rabies, distemper, and bordetella vaccines which we will verify directly with your vet. We do orientations 7-days-a-week, by appointment only.
